## COMMUNITY DINNER COMMENCES

On Tuesday 14 April a group of eight St Paul's members enjoyed a light meal together for the first of our regular Community evening meals.

The Mission team have initiated a monthly evening meal currently planned for the **second Tuesday of the month, starting at 5.30pm**. We are hoping this may draw neighbours as well as our own members.

The night was a fun evening of food and getting to know one another. The next dinner will take place on Tuesday 12 May at 5.30pm and is likely to feature soup and a roll and some kind of sweet.

If you have a great soup recipe or would be happy to provide soup that can be frozen and used for future dinners please contact Kate

[kate@stpaulsboxhill.org.au](mailto:kate@stpaulsboxhill.org.au)

(If providing soup please include a list of all ingredients for food safety reasons)

As we settle into our space and into the neighbourhood, the Mission team are encouraging members to consider the St Paul's centre as a space for welcoming our neighbours where they live. If you have an idea for an activity or group you could lead or support, please contact Garry Tepper ([tepper59@gmail.com](mailto:tepper59@gmail.com)) or the Mission Team in the first instance. Events could be one off or regular depending on what works for you.
